(Juried exhibition with awards)

Like much of the country, Wisconsin has a growing interest in Plein Air painting. Communities from Beloit to Door County have begun to host annual competitions and related events to bring this type of art to the public, some are even 10 years in running.

Wisconsin Plein Air Painters Association is dedicated to helping Artists build on this enthusiasm to develop opportunities to paint and showcase their work across the state.

WIPAPA is a rapidly growing organization open to artists of all experience levels. Among our members you will find competent teachers, accomplished professionals and motivated beginners.

Wisconsin has some amazing artists, and we know that you could be one of them. Join us today and find out what you've been missing.

Join us on Facebook and visit our blog:
